How do I access my medical benefits?

SES has a 24/7 call centre which can be reached via phone, WhatsApp or email.
The important contact details have been shared above. Please take note of these.

All benefits require pre-authorization.

In the case of an emergency, you may proceed to the nearest facility to assist you and your loved ones, but you are encouraged to contact SES as soon as possible so that we may take over the management and payments for the case at hand.

When might this policy not cover me (exclusions)?

This policy does not cover chronic conditions if they are not declared in the application form before enrolment, such as HIV/AIDS, diabetes, or high blood pressure, for example, subject to underwriting for retail and group members.
The policy does not cover elective treatment in RSA. If treatment sought is unavailable in the country of residence or India, and is not an emergency, the member will be required to cover their own costs of treatment and transport and will be unable to make a claim against their Sapphire policy.
This policy does not cover any additional international medical expenses incurred for members with a BMI of 35 and over.
This policy will not extend cover if benefit limits have been exceeded.
If pre-authorization was not obtained prior to seeking medical assistance, claims may be rejected.

Who do I contact if I have a claim to make on my policy?

You may call the call centre and ask to be transferred to the Claims Department. Alternatively, you may complete a claim form and contact us on payandclaim@ses-unisure.com.
Claims must be submitted within 90 days. Claims submitted after the 90-day threshold will not be processed.
